75-mL tube

**Item Number: 8514-0210-01**

Numoisyn Lozenges are indicated for the treatment of xerostomia (dry mouth). Numoisyn Lozenges provide temporary relief of dry mouth due to damaged salivary function.<sup>3</sup>

- Fast acting due to acidic components that stimulate saliva flow<sup>3</sup>
- Formulated to support the natural protection of teeth normally provided by saliva<sup>3</sup>
- Best suited for patients with some salivary gland function<sup>3</sup>

100-count bottle

**Item Number: 8514-0110-02**

Numoisyn Liquid is indicated for the treatment of symptoms of dry mouth. Numoisyn Liquid relieves the symptoms of dry mouth by enhancing swallowing, improving speech mechanics, and lubricating the oral cavity like natural saliva.<sup>4</sup>

- Long-lasting relief of dry mouth symptoms<sup>5</sup>
- Viscosity similar to that of natural saliva and protects against tooth decay<sup>4</sup>
- Appropriate for patients with little or no salivary gland function<sup>4</sup>
