

# Numoisyn™

Lozenges      Liquid

Works fast...and lasts.

## for Xerostomia

### Advantages of Numoisyn Lozenges

- Works fast...within minutes
- Best suited for patients with some salivary gland function<sup>1</sup>
- **Can be used as a diagnostic tool to evaluate salivary function**
- Supports saliva's natural protection of teeth, so oral health is not compromised with repeated use<sup>1</sup>

### Advantages of Numoisyn Liquid

- Long-lasting relief...up to 1 hour on average
- Appropriate for patients with little or no salivary gland function<sup>2</sup>
- Increased viscosity provides film formation on all surfaces and protects against tooth decay<sup>2</sup>
